OBJECTIVE

I am a graphic designer experienced in developing visual solutions with Adobe Creative Suite in a collaborative environment. I am seeking a graphic design oppurtunity with an innovative and team oriented company that offers the chance to show case my skills and develop new ones.

EXPERIENCE

Kinetic Communications *Birmingham, Alabama*

Graphic Design Contractor: May 2022- Present

Graphic Design Internship: September 2021- May 2022

- Designed more than 10 websites for clients including The Birmingham Botanical Gardens, PangeaTwo, and Homewood City Schools Foundation
- Participated in pre-design meetings with clients
- Researched, planned, and developed design solutions
- Collaborated with Project Managers and Developers on the implementation of the designs
- Designed print marketing materials for Kinetic fundraisers to include invitations, signs, and posters

Freelance *2021-Present*

- Logo Design for companies such as Vinson Media and Area Code Golf
- Illustration and book cover design for the book Life In Words
- T-shirt designs for school fundraiser

HONORS & AWARDS

- Adobe Certified Associate Degree
- Samford University Dean's List 3 semesters
- Samford University 2020 Juried Art show Finalist
